Dear Members of the Swiss Club of Chicago,

I herewith am submitting my request to be considered to serve on the Board of the Swiss Club as club secretary.

For many years I have served on various boards, ranging from Board of Trustees at Indiana University, Board Secretary at Open Door Health Centers of IL and also on the Board of the St. Charles Chamber of Commerce. For the past four years, I have focused on my career downtown Chicago (AIDS Foundation Chicago) and now that I know how to do my job well, I would like to serve again on a Board that brings me joy. To me personally, this means organizing and attending social events and be among Swiss people and culture (and those who love Switzerland) as I am a "Heimwehsschweizerin."

My background and current position are in fundraising and event organization thus I hope to bring this skill set to benefit the members of the Swiss Club of Chicago.

Merci villmal for your careful consideration of my request.

Sincerely,

Sacha I. Urban
