

WHAT TO EXPECT

Gathering information ahead of time: It will be important for you to provide us with estimated numbers for your group. *This can be a range at the beginning stages of planning.* Final numbers should be submitted 1-2 days prior to your visit.

Lessons: 10 FREE 90 minute Beginner (never having skied before) Group ski lessons are offered with every 20 lift tickets purchased. Lessons are offered for ages 8 years old and older. In order to guarantee lesson spots, reservations are required at least two weeks in advance. Additional ski lesson spots are available at \$5 per participant. Snowboard lessons are available with a minimum of 5 and maximum of 10 participants per group with every 20 lift tickets purchased. Additional spots available at \$10 per participant. Prices charged based on numbers given as of two weeks from visit date regardless of actual participation.

Waivers and forms: There are two forms that should be signed for each member of the group and turned into Tyrol Basin staff when your group arrives. *For group members below the age of 18, a parent/guardian's signature is required! We often recommend having parents sign all forms, just to make sure the kiddo is covered!*

Rental form: This form, when completed, helps our rental staff set you up with the right equipment. Group members with their own equipment do not need this form. There are specific forms for ski and specific forms for snowboard.

Lesson Release: This form allows you to participate in the beginner group lesson.

Arrival at the Hill: Buses should park in the Bus parking lot upon arrival. Please send ONE

representative to the ticket office to make payment, turn in forms/waivers, and get tickets. That representative can return to the bus to give directions to the group and distribute tickets.

Expected Behavior: We expect respectful behavior from all guests, but appropriate behavior is especially important for groups since one guest can easily ruin a fun experience for the entire group!

Food and Beverage: Outside food and beverages are not allowed due to our Food and Beverage licenses. Please inquire about our food and beverage offerings available to groups!

Additional Offering: Roof deck fire bowls and base area gas fire pits are available for warming purposes only. These are not to be used to cook food. There is plenty of outdoor seating for folks to enjoy during their stay.

Assistance while visiting: We ask that all groups with children 14 years old and younger follow a ratio of 1 chaperone for every 10 children. Tyrol Basin staff is available and happy to help at the ticket office and rental counter, however we are not responsible for monitoring or supervising group members throughout your visit.

Safety is of utmost priority for us! Please make sure all group members understand the importance of safe skiing and/or snowboarding before visiting. Ski Patrol is available for first-aid assistance during your visit.

Please send an email to groupsales@tyrolbasin.com for more info
