

Greetings from Tyrol Basin!

Faint changes in the sunshine and foliage hint that summer is coming to a close, and we are ready for that! Our goal is to promote a lifelong love of skiing, riding and tubing. We want to share our passion by providing gear, beginner ski and ride lessons and slopes covered in snow for your group of 20 or more. Let the fun begin!

Our group price structure is the same as last season, your discount is greatest if you ski Monday - Thursday (tube Thursday or Friday), just reach out at least 21 days ahead of your visit to sign up. Our updated order entry system allows you to book your trip online including submitting rental forms and lesson waivers in advance; we will send you a link for this once we have confirmed availability of space for your group to come on your chosen date.

Our beginner area has a new magic carpet lift and expanded terrain. Beginner Lessons will need to be signed up for by each individual more than 14 days in advance and will be \$3 per student. Lessons will be available to book for your group Monday through Friday at 10:30 AM, 11:30 AM, 5:30 PM and 6:30 PM; on Saturdays group lessons will be available at 9:30 AM and 10:30 AM. ****Ski lessons require a minimum of 5 participants (\$15.00) with a maximum of 20. **Ride lessons require a minimum of 5 participants (\$15.00) with a maximum of 10.**

Our tubing hill is available 7 days a week and could be the perfect setting to enjoy a work and/or play day for your team, a club outing or as a way to reward your hard-working students! A group of 20 or more may reserve tickets for four hours of tubing during our regular public tubing hours. We also offer four hours of tubing for 50 or more participants at other times; the minimum cost for tubing during these hours is \$900 for the first 50 people and \$18 for each person after this. See the pricing chart on the group visits document for more information. If you have less than 20 participants, you may purchase tickets on Sundays after 5:00 PM for the following week at [Book Tubing Tickets](#).

Daily group capacity will be managed to provide the best opportunity for your group to have a great adventure at Tyrol Basin. What this means is that on an average Wednesday we may have capacity for 300 group visitors on top of our expected regular customer volume but on a Friday we may only have capacity for 175 group visitors, so if it works for your group to come anytime other than Friday night (to the ski hill), you may save some money and have an easier time booking visits! Please see the attached group visit calendar.

Beautiful Fall foliage lift rides start on September 29th and Terror @ Tyrol kicks off for its 4th season on the night of October 6th. The ski patrol gear swap/resale is October 22nd. If you would like to bring a group out for a fall event, please let us know so that we can be sure to have you in our plan, private dates may be available and recommended for very large groups.

Please read the attached Tyrol Basin Groups 2023-2024 information and let us know if you have any questions. We look forward to helping you gear up for a thrilling adventure on our slopes and we appreciate your considering sharing your time with us this 2023-2024 Season!
